

FROM THE PORT OF ROME

Ancient Roman Tour

Walk With The Ancient Romans

Your driver will pick you up at your cruise ship for an experience of a lifetime. Your Own Italy's Private Rome shore excursion of Ancient Rome includes the Colosseum, Appian Way, Pantheon, Ancient Rome Forum and much more. Ideal for families and those looking for an in-depth and thoroughly entertaining tour focusing on the life and times of Ancient Romans. First, with your private English-speaking guide, visit the alluring remains of the Ancient Roman Forum. While walking through the ruins of the imposing ancient buildings, you will listen to its history -- peppered with anecdotes about the structure of Roman society, their beliefs, their social and political life. Learn how the Romans managed to create and control such a vast territory and how that empire declined.

Then, avoiding the lines to get in to the Colosseum, you'll visit the imposing arena and relive the days of Ancient Rome! Enjoy a thorough tour of the building, learning about the inner workings of the Colosseum and the special effects and showmanship of the ferocious games played there...the role the Colosseum had in Roman society...and what it meant to a Roman to attend these games...what different games were held in the amphitheater. Afterwards, you will be taken on a short drive through the center of Rome to see the Pantheon, and learn about the rich history of one of Rome's most important and beautiful buildings.

The Tour continues with a delicious lunch at the famed Pagnanelli Restaurant overlooking Lake Albano. After lunch, you will experience a tour of the restaurant's underground wine cellar.

To finish your Private Ancient Rome shore excursion, your guide will take you on a stroll along the Appian Way in the lush green countryside. It is a must to walk this ancient road, one of the major arteries leading into Rome when the empire was at its peak. You'll end your day with a quiet drive back to your cruise-ship at Civitavecchia, after a complete exploration of Ancient Rome.
