

FROM THE PORT OF NAPLES

Pompeii and Mount Vesuvius

Your driver will pick you up at your cruise ship for an experience of a lifetime. The world's most well-preserved ancient town, with its intact streets, and many buildings up to the second story is a true experience of time travel. See how the ancients entered their city through one of the main gates, lived in courtyard centered airy homes with vivid frescoes depicting the leisurely life of the wealthy inhabitant. Live also the footsteps of the commoner eating on the go at one of the many "fast food" restaurants on his way to the baths followed by an imaginary discussion at the temple in the main Forum. Close your eyes while sitting in the 500-person theater imagining a performance about to begin, all in the shadow of the Vesuvius.

You will then sit down to a leisurely lunch accompanied by a wine tasting experience at a Vesuvius winery. Your guide will then take you up to the top of the crater at an altitude of roughly 3,445 feet. Enjoy spectacular views of the Gulf of Naples, the Sorrento Peninsula and on clear days the islands of Capri and Ischia.
