

FROM THE PORT OF ROME

Rome In A Day For 1st Timers

This tour is designed to introduce first time Rome visitors to the many wonders of the Eternal City in a single day. You will be whisked to the heart of Rome by your English speaking driver and private guide, who will pick you up at your ship. You'll visit the Colosseum, Pantheon, Ancient Roman Forum, St. Peter's Basilica, Trevi Fountain, Spanish Steps, Piazza Navona and much more as you make the most of your tour of the Eternal city. Your expert guide will focus on the most important landmarks of the Ancient Forum that date from the various periods of Rome's long great history to convey the history of Ancient Rome from its origins to the age of the Roman Republic, and the glory days of the Roman Empire.

One of the highlights of our Rome in a Day Shore Excursions is a visit to the magnificent Colosseum (Guaranteed no standing-in-line to enter!). Relive the days of Ancient Rome as your expert guide recounts how the inner-workings of the Colosseum enabled the Romans to provide special effects to accompany the showmanship of the ferocious games held here. As well as discussing the types of games held in the Colosseum and what it meant for a Roman citizen to attend these games. After discussing Constantine's Arch and admiring views from the Palatine Hill, this Rome shore excursion embarks on a very different tour to visit the imposing Pantheon from Roman times. Fast forward 1700 years to see the magnificent fountains by Bernini and the Spanish Steps.

In the afternoon, you will walk across the Angel Bridge to see the imposing Castel Sant' Angelo on your way to St. Peter's Basilica where you will admire the famed square designed by Bernini as well as the treasures inside the Basilica. Last, but not least, your driver will take you to one of the famous seven-hills of Rome for an aperitif and splendid views of the city before returning to your cruise ship to complete your private Rome in a Day Tour.
