San Gimignano and Tour of Chianti Region

DURATION

10 hr

TOUR DIFFICULTY

EASY MEDIUM HARD

Your driver-guide will pick you up at the Livorno port and take you on a picturesque drive to the world-famous Chianti Region. The first stop on this enchanting day in Tuscany is a visit to the medieval gem of San Gimignano, known as the “city of beautiful towers.” In its heyday, the town boasted 72 towers. Now 14 remain, and, rising above Tuscany’s Elsa Valley, they make the town look like a medieval dreamscape. Your walking tour will begin with the stunning architecture of the Piazza della Cisterna, Piazza del Duomo Collegiata and San Gimignano’s Romanesque cathedral and continue with a stroll along the Via Francigena strip – an ancient pilgrimage road. You will have plenty of time to visit the shops, browse the locally made handicrafts and beautiful Santa Fina pottery as well as buy the locally made spice, saffron.

You’ll then be taken directly to the Chianti wine region which lies between the cities of Florence and Siena, bordered on the east by the Chianti mountains and to the west by the Elsa river. This wine region boasts delightful vistas framing the vine covered rolling hills and ever present cypresses, along with an unhurried pace of life and picturesque villages.

You’ll visit a local winery to enjoy a full wine tasting followed by a sumptuous lunch in one of the most beautiful regions of Italy. In the evening hours you’ll return to your cruise ship at Livorno with, hopefully, a few bottles of wine and pleasant memories to share with your fellow cruise passengers.
