

FROM THE PORT OF VENICE

Venice in a Day Walking Tour

Your enchanting tour of Venice will begin with a boat tour of the Grand Canal that will take you from your cruise ship to St. Mark's Square. Learn about the many prestigious palaces, churches and gardens that line the banks of this most unique street of the world. You will visit the Cathedral of Venice, St. Mark's Basilica, with the richness of its marbles and mosaics; the Doge's palace, the fourteenth century building from where the ancient Venetian republic exerted the control over the city. Passing through the famous Bridge of Sighs you will reach the Prisons Palace. On your way to lunch, you will experience a private gondola serenade with live musicians on board through the enchanting maze of canals. Your tour will continue with a walk through the narrow streets (calli) and small squares (campi) to see the famed La Fenice Theatre. The tour continues with a visit to the gothic church of Frari (Franciscan friars) with paintings of Bellini, Tiziano and sculptures of Canova. The Rialto bridge and its market will give a perfect farewell to the clients for the end of the tour.
